

# Transfer DRG

POWERED BY WAYSTAR

## Does your organization...

endure lengthy wait times to detect underpayments?

have to give your patients' medical records to your vendor?

use a CMS NSV with direct access to your transfer DRG claims?

use a vendor that focuses on recovering reimbursement for high-dollar claims only?

employ individuals or teams to update claims manually?

endure a potentially lengthy waiting period to receive reimbursement you're owed?

## With Waystar...

Underpayments identified in **5 business days**.

**No medical records are required.** We use Medicare's Common Working File (CWF) as a source of truth.

As an approved CMS Network Service Vendor, **we have access to ALL your Medicare claims data.**

**We guarantee you total recovery.** We easily find both high and low-dollar claims, which makes a huge difference in your overall revenue health.

**We make changes to claims on your behalf** using our proprietary technology and access to Medicare's FISS system.

We can **turn around the objection faster.**
